Welcome to Anna's World.

Anna is Ancient Greek.

Not Roman.

How she Barters and Trades is different than The
Roman World.

Whether or Not you gain Value from Anna's Wisdom
is only determined by The Receiver after The Fact.
Not before... and Never by Anna.

Also, Anna's Work is Priceless and it belongs to The
World.

Did Newton charge people for using Gravity?

Anna lives according to
The Laws of Agape + Reciprocity + Pay It Forward

She does this via a Barter-And-Trade System called
"Pay What You Can Afford" and/or "Pay It Forward."

YOU Decide The Value of
What you have Received : What You Can Afford

We ask that you ask yourself these questions and
that you practice The 2nd Ethic "Self-Authority" to
decide this for yourself and on your own.

This Empowers you.

For this reason, Anna keeps to her own Schedule and does what she does, as she does, in her own time, and the System you receive is a DIY System + Our Group Q&A + Community + Events.

Come in, Nourish yourself as needed.

And if/when you wish to reciprocate Anna in kind, look to our Subscriptions & Memberships or buy her a Cup of Coffee or Two.

Oh! And...

Anna lives by The 12 Ethics.
100% of All Things Anna are The 12 Ethics.

That all being said, here is Anna's Menu.
